Quality Shop.

There's No Place Like It For Gorgeous Ostrich Plumes and Artistic French Millinery.

Leastwise no place outside those shops that make Paris the mecca for the whole feminine world in search of fetching millinery modes. "The plume's the thing" again this spring. Birds of Paradise and Agrettes are close seconds—rivals, we might say.

A fashion note in the Star the other day stated that most of the expensive hats this season were trimmed with ostrich plumes. It should have read the expensive hats at every place but the Juliet. Being manufacturing importers enables us to save you at least 33 1/3% on the plumes themselves and a like amount on all our trimmed hats—flowered and ribbon effects as well as the "feathered" kinds.

\$8.00 French Curl Plumes . . \$5.00
\$12.00 French Curl Plumes . . \$8.00
\$12.50 Willow Plumes \$9.00
\$22.50 Willow Plumes \$16.50

Our Money-Back Guarantee.

Compare any feather from our shops with any feather bought elsewhere, and if it fails to show a saving of at least one-third, quality for quality, bring it back, and we'll cheerfully refund your money.

Exclusive French Millinery.

A visit to our new "French Parlor" will prove a revelation in millinery values. Every hat shown is a distinctive style—an original creation that hasn't its duplicate in this or any other store.

\$15 to \$20 Imported French Hats, \$7.50.

\$20 to \$30 Imported French Hats, \$10.

\$30 to \$40 Imported French Hats, \$20.

Flowers for Trimming.

If you have set your heart on a particular flower you can count on finding it here. Every flower that you can think of is included in our immense stock. Feathers Curled on Your Hat While You Wait. We will "Reconstruct" Your Old Plumes at Small Cost, Making Them "As Good as New." Feathers Dyed to Match Any Costume.
